OBJECTIVE

A truly hard working individual looking for a challenging position where I can showcase my true potential and contribute to the growth of the organisation. I want to succeed in a stimulating and challenging environment that will provide me with advancement opportunities. I want to excel in this field with hard work, perseverance and dedication.

PROFESSIONAL SUMMARY

Dedicated and motivated Pharm.D graduate with one year of internship experience as a Clinical Pharmacist at Government Medical College Hospital, Tiruppur. Skilled in patient counselling, prescription auditing, drug safety monitoring, and clinical documentation. Completed a hospital-based research project on antibiotic resistance, providing hands-on experience in infectious diseases, pharmacovigilance, and evidence-based practice. Strong foundation in clinical pharmacy, drug utilization review, therapeutic monitoring, and healthcare outcomes. Seeking opportunities to grow and apply my skills in the clinical field, with a commitment to contributing to meaningful studies and advancing knowledge.
