PROFILE

Doctor of Pharmacy (Pharm.D) graduate with practical experience in hospital settings, skilled in prescription audits, antimicrobial stewardship, ADR monitoring, and medication error prevention. Experienced in ward rounds, case presentations, and research projects focusing on prescription audit and adherence to CPG. Passionate about optimizing drug therapy outcomes and evidence-based clinical practice as a Clinical Pharmacist.

CLINICAL EXPERIENCE - TRAINING

Apollo Hospitals, Chennai

Clinical Pharmacy - Intern

NOV 2025 – JAN 2026

Participated in ward rounds and reviewed prescriptions for safety, interactions, and rational drug use. Identified, documented, and assisted in reporting adverse drug reactions (ADRs). Performed patient counselling and clinical documentation.

SRM Institutes for Medical Science (SIMS) Hospital, Chennai

Clinical Pharmacy - Intern

JUN 2025 - AUG 2025

Participated in optimizing antibiotics prescribing practices to promote rational use and reduce resistance. (AMSP)

Sudha Multispecialty Hospital, Erode

Internship

OCT 2024 - OCT 2025

Participated in ward rounds, prescription audits, ADR monitoring, case presentations, health day programs, thereby improving communication and evidence-based practice skills.

Senthil Multispecialty Hospital, Erode

Clerkship

JAN 2024 - MAR 2024

Actively participated in journal club sessions, health day programs, and case presentations.

Manathin Maiyam - Mental health Care, Erode

Research Project

APR 2024 - JUN 2024

Conducted a research project involving systematic case collection and analysis, strengthening both clinical and research skills.
