### ABOUT ME

---

I am an aspiring Biotechnologist .I want to enhance my professional skills, capabilities and knowledge in an organization which recognises the value of hard work and trusts me with responsibilities and challenges. Also, my main objective is to achieve a positive growth in myself as well as for the company.

### WORK EXPERIENCE

---

#### ✦ TECHNICIAN

I have 2 years of work experience as a technician at Ceva Phylaxia, a leading pharmaceutical vaccine production company for animals, in Budapest, Hungary. During this time, I gained hands-on experience in vaccine manufacturing and quality control, working in GMP-compliant environments, handling documentation, and operating equipment such as autoclaves and labeling machines.
