PROFESSIONAL EXPERIENCE

06/2025 – 01/2026
Noida

Soterius Life Sciences

Senior Pharmacovigilance Associate

- Assessed and reviewed literature abstracts and full-text articles in accordance with applicable regulatory standards and Soterius' and client procedures, ensuring high accuracy and quality.
- Conducted literature searches using bibliographic databases such as **PubMed, Embase** and **MEDLINE**.
- Contributed to the effective functioning of Pharmacovigilance (PV) projects, including Literature Monitoring, Aggregate Reporting, Signal Detection and Management, etc., on **Drug Safety Triager**, in compliance with agreements, applicable regulations, and guidelines.
- Collaborated and communicated effectively with stakeholders to facilitate completion of assigned operational responsibilities.
- Executed other responsibilities and supported management as assigned to ensure smooth project operations.

05/2023 – 05/2025
Gurugram

Wipro Limited

Pharmacovigilance Officer

- Ensure good documentation of adverse events (AEs), product quality complaints (PQCs) and medication errors reported by patients, HCPs, or caregivers.
- Perform thorough intake to collect all necessary details required for safety reporting.
- Accurately enter case details into database.
- Timely submission of reports as per timelines.
- Report adverse events and product complaints to Pharmacovigilance teams in compliance with local and global regulatory requirements and client standard operating procedures.
