LinkedIn Profile: www.linkedin.com/in/s-raajkumar/

EXECUTIVE SUMMARY:

Pharm.D graduate with 1+ year of clinical pharmacy training in a government tertiary care hospital, specializing in prescription auditing, medication therapy management (MTM), ADR reporting, and patient counselling. Demonstrated ability to improve medication safety through 1,500+ prescription reviews, detection of 200+ medication errors, and supporting 30+ renal/hepatic dose adjustments. Experienced in multidisciplinary ward rounds, evidence-based drug information services, and chronic disease counselling for 500+ patients. Seeking a Clinical Pharmacist / Hospital Pharmacist role to deliver safe and rational drug therapy.

KEY SKILLS:

- Prescription Auditing & Medication Error Identification
- Medication Therapy Management (MTM)
- Renal/Hepatic Dose Adjustment Assessment
- ADR Monitoring & Reporting
- Drug–Drug / Drug–Food Interaction Screening
- Medication Reconciliation & Clinical Documentation
- Patient Counselling
- Evidence-Based Therapeutics & Drug Information Services
- Interdisciplinary Communication & Team Collaboration

WORK EXPERIENCE:

Clinical Pharmacist Intern

Nov 2024 – Nov 2025

Thanthai Periyar Government Headquarters Hospital, Erode, Tamil Nadu, India.

- Conducted systematic prescription auditing for medication errors, contraindications, therapeutic duplications, and dose inaccuracies.
- Evaluated renal/hepatic parameters and contributed to 30+ dose adjustments using clinical guidelines.
- Reported 8+ ADR cases through VigiFlow, improving pharmacovigilance documentation and patient safety.
- Participated in daily multidisciplinary ward rounds providing MTM and evidence-based drug recommendations.
- Provided counselling to 500+ patients with chronic conditions (T2DM, hypertension, asthma, cardiac disorders).

- Performed medication reconciliation during admissions and discharges to reduce discrepancies.
- Supported physicians by preparing drug information queries using Micromedex, MedDRA, WHO resources, and clinical guidelines.

Dispensing Pharmacist

Jan 2024 – Jun 2024

Pradhan Mantri Bhartiya Jan Aushadhi Pariyojana Pharmacy, Komarapalayam, Tamil Nadu, India.

- Dispensed medications with 100% accuracy, ensuring rational and affordable therapy aligned with PMBJP standards.
- Conducted counselling on medication adherence, dosage instructions, OTC safety, and lifestyle modifications.
- Performed screening for drug–drug and drug–food interactions before dispensing.
- Managed inventory, expiry audits, cold-chain items, and stock optimization to minimize wastage.

EDUCATION QUALIFICATION:

- Doctor of Pharmacy (Pharm.D) - 2019 – 2025
JKKN College of Pharmacy, Komarapalayam
- Higher Secondary Certificate (HSC) - 2018 – 2019
PRG Higher Secondary School, Kattumannar Koil
