SUMMARY

Clinical Pharmacist (Pharm.D) with hands-on internship experience in a tertiary care hospital. Certified in Good Clinical Practice (ICH-GCP) and Pharmaceutical Regulatory Affairs. Skilled in ADR reporting, pharmacovigilance, medication chart review, prescription auditing, and patient counselling. Committed to patient safety and evidence-based pharmaceutical care. Seeking entry-level roles in Clinical Pharmacy, Clinical Research (CRA/CRC), or Pharmacovigilance.

SKILLS

Clinical Skills:	ADR Reporting & Pharmacovigilance, Medication Chart Review, Prescription Auditing, Drug Interaction Screening, Patient Reconciliation, Discharge Summary Checking
Regulatory & Research:	Good Clinical Practice (ICH-GCP), Pharmaceutical Regulatory Affairs, Clinical Documentation, Drug Safety Monitoring, CDSCO Guidelines
Pharmacy Operations:	Medication Indenting & Inventory, Patient Counselling & Education, Medication Error Prevention, Interdisciplinary Collaboration

EXPERIENCE

PharmD Intern

Dec 2024 – Dec 2025

CSI Holdsworth Memorial Hospital, Mysore: Clinical Pharmacy, ADR Forms, GCP

- Participated in interdisciplinary rounds across medical, surgical, and paediatric units to support evidence-based medication therapy decisions
- Reviewed physician orders for accuracy, drug-drug interactions, contraindications, and therapeutic appropriateness — supporting zero-error medication dispensing
- Identified and documented ADRs following pharmacovigilance protocols; contributed to hospital's adverse event reporting system
- Interpreted lab values and vitals to recommend dosage adjustments under preceptor supervision across 100+ patient cases
- Identified cost-effective therapeutic alternatives, reducing avoidable prescription costs for patients
- Performed medication reconciliation at admission, transfer, and discharge to prevent medication errors and ensure continuity of care
- Educated patients on drug adherence, side effects, storage instructions, and safe medication use
- Collaborated with physicians, nurses, and allied health professionals to maintain clinical workflow and patient safety standards

EDUCATION

Doctor of Pharmacy (Pharm.D)

Jun 2018 – Dec 2025

Farooqia College of Pharmacy, Mysore

Rajiv Gandhi University of Health Sciences (RGUHS)

PROJECTS

Assessment and Awareness of Patient Rights Among In-Patients | Research Study 2024 – 2025

- Designed and conducted a cross-sectional study evaluating patient rights awareness among hospitalized patients across multiple wards
- Used structured questionnaires to collect data, performed descriptive statistical analysis, and identified key gaps in patient rights communication
- Findings contributed to institutional quality improvement initiatives and recommendations for patient-centered care protocols

CERTIFICATIONS

Good Clinical Practice (ICH-GCP)

2026

Certified in GCP principles applicable to clinical trials, patient safety, and regulatory compliance

Introduction to Pharmaceutical Regulatory Affairs

2026

Covers drug approval processes, regulatory submissions, CDSCO/FDA/EMA compliance frameworks

CONFERENCES & PROFESSIONAL DEVELOPMENT

- National Conference on Optimising Healthcare by Minimising Medication Errors: "The Right Approach" — T. John College of Pharmacy, Bangalore
- International Clinical Pharmacy Conclave on Infectious Diseases and Antimicrobial Stewardship — Amrita School of Pharmacy, Kochi
