👤 PROFILE

Experienced Senior Radiographer with a proven track record of totally 7 years in the field. Proficient in RIS and PACS systems, demonstrating adeptness in managing and interpreting diagnostic imaging data. Possessing a can-do attitude and strong leadership skills, I excel in fostering efficient workflows and guiding team members towards excellence. Now seeking a role as a Diagnostic Radiographer specializing in X-ray, CT, and MRI modalities to leverage my skill set and contribute to delivering high-quality patient care.

📁 EMPLOYMENT HISTORY

Senior Radiographer at MERIDIAN Hospitals , Chennai

Present

- Perform advanced diagnostic imaging procedures such as General X-rays, CT scans, and MRI scans to facilitate accurate diagnoses and treatment plans.
- Communicate effectively with patients to alleviate concerns, explain procedures, and provide post-imaging instructions, ensuring a positive patient experience.
- Deliver excellent patient care by obtaining thorough patient histories, ensuring comfort and safety during examinations, and maintaining high standards of professionalism.
- Manage daily operations of the Radiology Department, optimizing imaging protocols and techniques for each patient to achieve superior diagnostic results while ensuring smooth workflow and adherence to protocols.

Period of Service :

Radiographer at DR Rela Institute and Medical Centre, Chennai

JULY 2020 — 2025

- Greeted and assisted patients, explaining procedures and ensuring their comfort and safety during examinations.
- Prepared patients for imaging procedures by accurately positioning them and providing appropriate shielding.
- Ensured proper identification of patients, verified consent, and monitored for any contraindications or adverse reactions.
- Assisted in the operation of radiographic equipment, including X-ray machines, mobile units, and image receptors.
