- Hindi

### PERSONAL INFO

- Date of birth: 9 August 2001
- Place of birth: CHENNAI

### PROFESSIONAL SUMMARY

**Skilled Echo Technologist** with expertise in advanced echocardiographic imaging and patient - centered care. **Proficient in diagnostic cardiac imaging, equipment operation, and collaborating with clinical teams** to ensure accurate diagnosis and treatment planning. Committed to delivering **high-quality cardiac care** through **precise imaging techniques** and **strict protocol adherence**.

### EXPERIENCE

#### ECHO TECHNOLOGIST

MD Rela Multispeciality Hospital, India, Chennai

June 2024 - Now

- Performed **echocardiographic examinations** to produce accurate imaging essential for precise cardiac diagnosis and treatment planning.
- Ensured **adherence to safety protocols** during procedures to maintain patient well-being and regulatory compliance.
- **Collaborated with cardiologists and clinical teams** to interpret imaging results, facilitating timely and informed medical decisions.
- **Maintained and calibrated ultrasound equipment** to guarantee optimal performance and minimise technical disruptions.
- Streamlined scheduling and **patient preparation processes** to improve workflow efficiency and reduce patient wait times.
- Performed **DOBUTAMINE STRESS ECHO & BUBBLE ECHO** in special cases when required by clinical teams

#### ECHO TECHNOLOGIST - INTERNSHIP

Tagore MEDICAL COLLEGE, India, Chennai

March 2023 - January 2024

- Completed a comprehensive 1-year internship program in echocardiography and cardiac diagnostics
- Performed transthoracic echocardiograms (TTE) under supervision, accurately capturing cardiac images to assist cardiologists in diagnosing cardiovascular conditions
- Conducted transesophageal echocardiograms (TEE) with proper patient preparation and monitoring protocols under supervision.
- Actively performed ECG procedures alongside echocardiography studies, contributing to holistic diagnostic processes
- Collaborated with the cardiology team to ensure accurate image acquisition and quality control

- Maintained patient safety and comfort throughout all diagnostic procedures
- 

## **ECHO TECHNOLOGIST -INTERNSHIP**

MD Rela Multispeciality Hospital, India, Chennai

**July 2022 - December 2022**

I have completed my enriched 6-month internship at Rela Hospital. I have diligently served as an echo technologist, honing my skills in diagnostic imaging and contributing to high-quality patient care.
