PROFILE SUMMARY

Dedicated and passionate Dental Surgeon with over 6 years of clinical experience in a hospital setting, offering a broad range of general dentistry services. Skilled in diagnosing, treating, and managing various dental conditions with a strong focus on patient comfort and care. Committed to maintaining high clinical standards, staying updated with the latest advancements in dentistry, and fostering a safe, sterile environment. Known for attention to detail, empathetic patient communication, and a hands-on approach to delivering quality oral healthcare.

EXPERIENCE

Resident Dental Surgeon

Ceeyam Hospital, Vadakara, Kerala | March 2019 to 30 June 2025

- Patient Diagnosis & Treatment Planning: Conducted comprehensive oral examinations and formulated treatment plans tailored to individual patient needs.
- Clinical Excellence: Performed a wide range of procedures including fillings, extractions, scaling, polishing, and emergency care.
- Aesthetic Dentistry: Delivered aesthetic restorations with direct and indirect composite techniques, achieving high patient satisfaction.
- Prosthodontics: Fabricated and fitted complete and partial dentures and crowns for improved functionality and aesthetics.
- Endodontic Treatments: Executed root canal treatments using advanced rotary techniques ensuring precision and patient comfort.
- Infection Control: Maintained strict sterilization protocols and infection control procedures in accordance with clinical guidelines.
- Interdisciplinary Collaboration: Worked closely with pedodontists and oral surgeons for referral cases and integrated patient care.
- Patient Education: Provided oral hygiene instructions and post-treatment counseling to improve patient compliance and satisfaction.

Dear Hiring Manager,

As a highly committed and patient-focused Dental Surgeon with over six years of hands-on clinical experience, I bring a unique combination of compassion, precision, and technical expertise to every case I handle. My journey from a Resident Dental Surgeon at Ceeyam Hospital to completing advanced certifications in rotary endodontics and aesthetic restorations reflects my continuous dedication to professional excellence and learning.

Throughout my clinical tenure, I have successfully managed a wide range of dental procedures, including oral surgeries, prosthodontic rehabilitation, and cosmetic restorations. My ability to work collaboratively in a multidisciplinary setting and provide patient education underscores my belief that optimal oral health is achieved through both expertise and empathy. I thrive in dynamic clinical environments and am eager to contribute to a team committed to world-class dental care.

I am now seeking to join a reputable healthcare institution in the UAE where I can leverage my skills, contribute meaningfully to patient wellness, and grow as a professional. I would welcome the opportunity to discuss how my background aligns with your clinic's vision. Thank you for considering my application.

Sincerely,

Dr. Harishma
