

MOHAMMAD SHEEMA TASNEEM, MDS, MBA

Associate Professor | Periodontist | Hospital Administration

+91 9985546868 | +91 8520985553 | sheema.tasneem@gmail.com

EXECUTIVE SUMMARY

Hospital administration and clinical governance professional with a strong foundation in Periodontology, clinical research, and healthcare operations. Skilled in ensuring the delivery of safe, ethical, and patient-centric care through effective clinical audits, regulatory compliance, and operational leadership. Experienced in medico-legal case handling, interdepartmental coordination, and staff credentialing. Completed MBA in Healthcare and Hospital Management, combining academic knowledge with practical hospital management expertise to deliver measurable improvements in patient care and operational efficiency.

CORE COMPETENCIES

- Medical Operations & Resource Utilization
- Clinical Governance & Audits
- Patient Safety & Quality Assurance
- Medico-Legal Case Handling
- Leadership & People Management
- Interdepartmental Coordination
- Continuing Medical Education & Staff Training
- Data Management & Quality Monitoring

KEY ACHIEVEMENTS

- Led medicolegal assessment project in Emergency Department, improving reporting compliance by 20%.
- Developed and implemented standardized clinical protocols for postgraduate training, aligning with hospital accreditation requirements.
- Oversaw ethical compliance and quality control in multiple clinical research projects, ensuring zero protocol deviations.
- Initiated interdisciplinary coordination systems improving turnaround time for patient care services.

HOSPITAL PROJECTS

Study on Medico-legal aspects of Casualty in Emergency Department along with Medicolegal knowledge Assessment (KAP) among healthcare workers

PROFESSIONAL EXPERIENCE

Associate Professor – Sree Sai Dental College and Research Institute, Srikakulam, Andhra Pradesh, India
(Aug 2021 – Present)

- Supervise daily operations within academic and clinical training departments, ensuring compliance with institutional and healthcare regulations.

- Coordinate with department heads to maintain high standards in patient care and staff performance.
- **Member, Institutional Review Board (IRB).**
- Monitor research and clinical outcomes, applying quality assurance measures similar to hospital audit frameworks.
- Manage medico-legal and compliance-related projects, ensuring adherence to statutory guidelines.

Assistant Professor – Sree Sai Dental College and Research Institute (Jul 2017 – Jul 2021)

- Guided academic and clinical training for undergraduate students and interns.
- Conducted departmental reviews to improve efficiency and compliance.
- Mentored students in evidence-based practice and protocol adherence.

Tutor – Sree Sai Dental College and Research Institute (Nov 2012 – Jul 2014)

- Provided foundational training in clinical protocols and patient care standards.
- Facilitated interdepartmental learning sessions to improve communication between clinical and non-clinical teams.

EDUCATION & CERTIFICATIONS

- MBA – Healthcare and Hospital Management, (2023–2025) – Dr. M.G.R Educational and Research Institute, Chennai
- MDS – Periodontology, Dr. NTR University of Health Sciences, Vijayawada (2014–2017)
- BDS – Dr. NTR University of Health Sciences, Vijayawada (2007–2012)
- Certification – Good Clinical Practice (GCP), affiliated with NIDA
- Advanced Diploma in Clinical Research
