SUMMARY

Dedicated and skilled Emergency Medical Technician with a Bachelor's in Accident and Emergency Care Technology from MGR Medical University, Tamil Nadu. Possess AHA certifications in ACLS and BLS. Gained hands-on experience through a one-year internship and two years of professional work at Meenakshi Mission Hospital and Research Centre

WORK EXPERIENCE

Advance Paramedic, Sakra world hospital, Bengaluru **2026 - Present**

As an Advanced Paramedic, I provided pre-hospital and emergency care for trauma and critically ill patients in Bengaluru's high-traffic urban environment. I performed airway management, IV access, trauma resuscitation, and Code Blue support while delivering safe and timely patient care under pressure

Emergency Paramedic, Meenakshi mission hospital & Research centre **2024 - 2026**

Provided emergency and trauma care to critically ill and injured patients in the Emergency Department. Assisted in airway management, IV cannulation, trauma resuscitation, Code Blue responses, and patient stabilization while working effectively in a fast-paced, multidisciplinary team environments

Internship trainee at emergency Trauma care **2023-2024**

Assisted senior medical staff in patient triage, monitoring, and critical care procedures. Gained expertise in handling medical emergencies, cardiac arrests, trauma cases, and poisoning cases. Provided basic and advanced first aid, including wound care and splinting for fractures.

EDUCATION

B.Sc., in Accident & Emergency Care Technology
The Tamil Nadu Dr. M.G.R. Medical University, Chennai
