VISAKHAPATNAM

PROFILE

Accomplished Pharm D Graduate, completed internship at Visakha Institute of Medical Sciences, I excel in patient assessment and clinical decision-making. My expertise in healthcare compliance and strong team collaboration has enhanced patient care delivery. I effectively manage medical documentation while fostering a culture of continuous improvement and mentorship within the healthcare team.

WORK EXPERIENCE - INTERNSHIP

Visakha institute of medical sciences, Visakhapatnam.

06/2024-06/2025

CLINICAL PHARMACIST

- Experienced in patient care, clinical decision-making, and healthcare operations with a strong foundation in pharmacotherapy.
- Skilled at conducting patient assessments, interpreting diagnostics, and prescribing evidence-based treatments.
- Focused on preventive care, patient education, and personalized treatment planning with timely specialist referrals.
- Adept at leveraging healthcare technologies to ensure medication safety, improve adherence, and enhance patient satisfaction.
- Strong collaborator with proven ability to mentor junior staff and promote interdepartmental teamwork.

DUTY MEDICAL OFFICER

- Hands-on experience in managing outpatient and inpatient care, including physical examinations, minor procedures, and immediate treatment interventions.
- Proficient in handling day-to-day clinical operations, staff workflow coordination, and emergency response situations.
- Skilled at maintaining accurate medical documentation, ensuring compliance with healthcare protocols, and delivering quality care under pressure.
- Known for effective communication, quick problem-solving, and adaptability in fast-paced clinical environments.
